Proudly Australian. Passionately Animal-Focused.

It all started in 1992 with a man named Joe and his frisbee-obsessed blue heeler, Mitch. When brittle plastic toys left Mitch with painful gum injuries, Joe decided that enough was enough and Aussie Dog was born.

From that first dog-safe frisbee to a now expansive range of over 30 enrichment products, our mission remains the same: to keep animals safe, stimulated, and thriving. We design toys that are non-toxic, ultra-durable, and built to engage every sense: sight, sound, smell, taste, and touch.

Proudly made in Melbourne using 100% recycled plastics where possible, Aussie Dog is committed to sustainability, innovation, and animal wellbeing. Whether it's for pets, zoo animals, or livestock, we've got enrichment solutions for creatures big and small.

If it's got four legs or lays eggs... we're here for them.

Partner with us to support safe play, healthy stimulation, and a better life for animals everywhere.

BOREDOM BUSTERS FOR YOUR DOG AT HOME

#1 - Stuff a KONG... or 2... or 3!

The best distraction is also a tasty one! Add hydrated kibble, wet food, or get extra creative with KONG stuffing recipes. Freeze a few so you have them on hand for the days ahead. They're also dishwasher safe on the top rack for easy cleaning.

#2 - Interactive Toys

Puzzle toys keep your dog's mind mentally stimulated so you can focus on your task at hand. Try swapping out their regular feeding bowl with an interactive food and treat dispenser for added excitement at meal time with a bonus of slower feeding to aid digestion.

#3 - Hide and Seek

Hide your dog's favorite toys or treats around the house for them to have fun finding. You may be surprised how long it takes them to find them all! Bonus: Hide a stuffed KONG (or 2-3) to make the game last even longer.

#4 - Ice Cubes with Treats

Whether the weather is hot or cold, creating ice cube treats for dogs is a great way to keep them occupied for an extended amount of time. Just pop a few treats into an ice cube tray and fill it with water or broth and freeze. You can even make a giant #KONGsicle with a to-go container or dish, a few treats, and a stuffed KONG.

#5 - Rotate Toys

Introduce new toys (or old) one at a time to keep them interested. Put all others away so your dog can enjoy the toy without being overwhelmed with options. This also makes play time feel special!
