Some important information

We want our trial to be a happy, relaxed evening for all our competitors and their dogs. You can help us keep it that way by observing some rules:

- Twilight Trial 13 February is being held at the Montrose Bay Yacht Club.

Friday 13 Feb Montrose Bay Yacht Club
Foreshore Road
Montrose

- Twilight Trial 20 February is being held at the Tasmanian Transport Museum.

Friday 20 Feb: Tasmanian Transport Museum
Anfield St
GLENORCHY

- **Print or write** your number on paper prior to the Trial as there is no official check in area.
- **Please don't train at the site before the trial.** We don't want to risk contamination of potential search sites.
- **No scent** anywhere on the trial grounds - if you have brought your scent kit, hand it to the trial manager to be secured for the evening.
- **You can keep tabs on where the running list is at by checking live updates on the trial page. Goto Trials in the main menu and at the top of the page you will see trials currently running. Select HDTC Scent Work Trial and on the right, you will see live updates or a similar description.**
- **No bitches in oestrus in the Trial Precinct.**
- **Be aware that the Montrose Foreshore Park is an off-leash dog area.** While the Trial is being conducted in the evening there may be off leash dogs passing through the parking area and walking along the foreshore path.
- **Be aware the Transport Museum is a public area.** We will have marshals but its up to you to advocate for your dog.
- **No dogs off lead** anywhere in the Trial Precinct. If your class has an off-lead option, the judge will let you know and you can remove your lead at the start line.
- No dogs at the **competitor briefing**.
- **Warm up boxes** – will be available. Please don't go to the warmup boxes until the assembly steward tells you it is time to join the line for your class.
- **Be on time** – we have a lot of entries to get through, and if you are not there when you are called for your class, the next dog will go, and you may miss your chance to run.
- **Dog attire** – No dangly tags on collars and no non-pull harnesses. If your dog has a rego tag on their collar you can tape it flat.
- **Wear your number** – if you aren't wearing your number you cannot run.
- Be aware of the **Search Area Precinct** – as soon as the judge can see you (even if you haven't crossed the start line) the rules re dog attire, dogs eliminating and handler behaviour apply. This means if you use a halti or slip collar on your dog, you should change into the correct equipment (harness or flat collar) at the last staging point, before you move in view of the search area.
- **Don't talk about the search.** After your run friends may ask how you went. You may not give any information apart from a 'thumbs up' or 'thumbs down' until all dogs in that class have run.

- **Keep the marshalling area clear** – please don't stand around in the marshalling area with your dog after you have run or if your run is not for a good while. If you want to give your dog a chance to decompress after your run, take them for a walk in the areas surrounding the trial grounds.
- **Photography and video** – don't share any video of dogs running until after that class has finished and never share any photos or video of others without their permission.
- **Gazebos** – sorry, no gazebos on the sites.
- **Poop bags** – no need to remind people to pick up their dog's poop and place them in rubbish bins or take it home with you.
- **Give people and all dogs space.**

Remember

Top Dog Events provides the running order status of a class and LIVE UPDATES telling you where the judge is up to as each class runs. Keep an eye on the classes before yours, and then on the dogs before you in your class.

You can find Live Updates on the Trial page @ Top Dog Events.

Note

The running order for Friday 20 February has changed. Check where your running and who is before you.
