Competitors with entire bitches should ensure their dog is not in season prior to attending.

Competitor numbers

Competitors will need to download and print their own competitor numbers for all dogs they have entered prior to attending.

If you don’t have access to a printer then the numbers can be written clearly on paper that can then be worn the same as a printed exhibitor number.

Competitors are free to park where ever they wish with the above in mind if they are wanting to complete searches blind as much as possible.
