The NQ Draw!

Did your entry end up as a Nearly but Not Quite result?

For each Excellent and Masters competitors entry that ends up with a NQ (Not quite) Result you will be entered into a draw for a webinar voucher from IMDT to the value of \$55!

You don't need to do anything - at the end of excellent and masters classes, the teams that didn't quite pass will be entered into a draw and picked out at presentations.

(Sorry - but teams that Q or DQ will not be included in the draw)

The voucher can be posted to you if you need to go - but we would love it if you do stay!

A photo of you and your dog studying will be much appreciated so we can share with IMDT

Map - 15th March 2026

Please bring everything you need to keep you and your dog comfortable for the event.

Judges and stewards parking is near the Pavilion doors, Lyndhurst room and Classic Room.

Competitors have many options, but it is preferred that you do not reverse park along the pavilion walls/windows. There will be a couple of parking spots restricted and marked on the day to allow competitors to walk through the car park from marshalling to entrances and allow marshalls to see who is waiting - please take note of these restricted bays on the day. There are no other particular restrictions as all the container searches are inside.

Please be mindful that there are other events and clubs at the park on this day as well.

Check in will open at 8am and you can collect your catalogue number there.

Marshalling will be from the main BBQ and picnic huts on the grassed area as marked out below.

The committee reserves the right to make changes to the flow and areas on the day should the need arise - so please listen to instructions carefully on the day at the briefing.

Competitors will be asked to compete in Run Order as per the catalogue below.

The catalogue number is unique to your dog and you collect it at check in.
Have it on you and displayed when you enter the search.
The judging team needs to see and be told the correct catalogue number.

At this trial, your catalogue number is also your run order.

Please keep an eye on the catalogue numbers of the teams going in to searches ahead of you. (Displayed on the number board and through Telegram). This number tells you when you need to be approaching the marshal zone with your dog, usually only one number ahead is ample.

If you want to check the numbers or speak with a marshal before your run - then please do so without your dog present. Please keep the marshal area clear unless you are preparing to go to the search. If you need a little space then let the marshall know - before getting your dog out of the car - where you will be standing so they can wave to you to come forward.

At this trial we will also be trying out using Telegram to assist with keeping you up to date with run orders and information on the day. Through this we can send messages such as info on breaks as well as who we might be looking for!

Let's see how it goes and give it a try.

(Assuming technology gremlins don't get involved!).

Telegram App..

We are going to give the Telegram App a try for this trial. We may need to troubleshoot any problems people have - so please be patient as we try out this new technology to try to make the marshalling easier for all competitors and volunteers.

Please refer to the instructions from Anastasia on the Vic Scent Facebook page.
Download the app then you can scan the below QR code.

Catalogue: 15th March 2026

To all competitors - we will be aiming to run in catalogue order. We are aware that there are other events running at the same time at KCC park and you may have chosen to enter both events. Please be mindful and kind to **all** the volunteers that are helping you marshal and run events smoothly.

PLEASE NOTE: If you miss your call for your scent work entry it is your responsibility to approach your marshall politely. Any calls missed will then be run at the end of the catalogue order and not slotted in somewhere along the way.

It is expected that a refreshment break may be required part way through judging for the Advanced, Excellent and Masters classes. Further details will be given at the briefing.

*Please note * - judges, stewards, committee members may run out of order as required on the day.*
