

SprintDog™ Training Day

When: Saturday February 28th (subject to weather)

Where: Jenkins Reserve, Saints Road, Salisbury

Time (4 sessions available – 10 dogs per session): 9:00am – 10:00am; 10:30am – 11:30am; 12:00pm - 1:00pm; 1:30pm – 2:30pm

Cost: PDODC Members: \$12 per dog; Non-members: \$15 per dog

This training day is designed for those that have a dog with a strong prey drive and tendency to chase but have never tried SprintDog™ OR those that have tried SprintDog™ and their dog showed a tendency to chase the lure but typically don't chase it the entire 100m track. For this session the lure will be in operation and every attempt by the driver/s to get your dog chasing the lure will be made. Handlers will also be familiarised with some of the rules of SprintDog™ to help prepare you for when you do enter your first trial.

To register you will need 2 (two) people to attend the training session. You will need to register the names of the two people attending when you sign up to attend a session. You can act as a catcher/releaser for your own dog and the catcher/releaser for someone else's dog attending the same session.

Register via Top Dog Events: <https://www.topdogevents.com.au/trials/1365>

Note: Registrations will close at 1pm on Thursday February 26th if the weather for the 28th means the training will go ahead. If the forecast is 32 degrees or above the session may be rescheduled. If rescheduled entries will be left open so those that cannot attend the rescheduled date can cancel their registration for a refund (less the online processing fee).
