EVENT MANAGER

MRS. L. DEITCH 0418 465 229

THE COMMITTEE AND CLUB WISH TO THANK ALL THOSE WHO HAVE MADE DONATIONS, THE JUDGES, THE STEWARDS, THE COMPETITORS, AND FRIENDS WHO HAVE ASSISTED TO MAKE THIS TRIAL A SUCCESS.

Check in time 8.15 am – 8.30 am. Numbers will be available at the check-in area.

Judges' briefing approx. 8.30 a.m. Judging starts at 9.00 a.m.

Note: Paper copies of the catalogue will NOT be available.

Parking as shown on the map.

No gazebos allowed due to reticulated system.

We aim to provide a safe and hazard free environment to protect the welfare of both humans and dogs. If you witness any situation at the trial which you perceive to be a health and safety problem/hazard please report it directly to the event manager. If we do not know there is a problem, we cannot fix it.

Trial Etiquette and courtesy tips for competitors:

Try to arrive early to get yourself setup, settle your dog and to see if help is needed to setup and prepare for the day. Offer to give a hand – help is always appreciated.

Be mindful of all handlers and their dogs – assume all dogs are reactive and don't let your dog crowd any other dog.

DOGS ON LEAD AT ALL TIMES (unless directed by a judge) – else you could be asked to leave the trial. Please pick up after your dog.

Be ready for your run, by knowing who is before you, the catalogue is in dog run number sequence for each element. This will give you and your dog the opportunity to toilet and be prepared. The boards with run sequence for each class will be at the assembly area. If you want to check on your place in the running order, leave your dog in the car. Please do not crowd the assembly area with your dog until it is your turn.

Top Dog Entries provides the running order status of a class and LIVE UPDATES telling you where the judge is up to as each class runs. Keep an eye on the classes before yours, and then on the dogs before you in your class.

You can find Live Updates on the Trial page @ Top Dog Events.

Note: We will not be chasing after handlers. If you've gone for a walk or gone for a coffee and are not ready at the assembly area when it is your turn you may miss out or be moved to the end of the run order.

If you do need to leave early, let the Event Manager know.

Stay till the last run to help pack up and clean up. More importantly attend the presentations to support, congratulate and hopefully collect your bounty for you and your dog.

Please take all your rubbish, including poo bags, home with you.

Finally: Relax, breathe and have a wonderful day with your dog. Good luck everyone and hope you all get lots of Qualifying passes.

There will be a presentation at the conclusion of each day's judging with qualification cards for all those with a qualifying pass on the day.

Bitches in season may not be present anywhere at the trial grounds.

- **Please don't visit the site before the trial.** We don't want to risk contamination of potential search sites, and we have special permission to have dogs at the venue for our trial.
- **No scent** anywhere on the trial grounds - if you have brought your scent kit, hand it to the trial manager to be secured for the day.
- **No dogs off lead** anywhere in the school grounds. If your class has an off-lead option, the judge will let you know and you remove your lead at the start line.
- No dogs at the **competitor briefing**.
- **Warm up boxes** – will be located near the line for your classes. Do not go to the warmup boxes until the assembly steward tells you it is time to join the line for your class.
- **Dog attire** – no dangly tags on collars and no non-pull harnesses. If your dog has a rego tag on their collar you can tape it flat.
- **Wear your number** – if you aren't wearing your number you cannot run.
- Be aware of the **Search Area Precinct** – as soon as the judge can see you (even if you haven't crossed the start line) the rules re dog attire, dogs eliminating and handler behaviour apply. This means if you use a halti or slip collar on your dog, you should change into the correct equipment (harness or flat collar) at the last staging point, before you move in view of the search area.
It also means if your dog has a quick pee on their way to the search area in sight of the judge, you may be disqualified.
- **Don't talk about the search.** After your run friends may ask how you went. You may not give any information apart from a 'thumbs up' or 'thumbs down' until all dogs in that class have run. Talking about the search before it is finished can get you disqualified from the trial.
- **Keep the marshalling area clear** – please don't stand around in the marshalling area with your dog after you have run or if your run is not for a good while. If you want to give your dog a chance to decompress after your run, take them for a walk and a relax.
- **Spectators** are not permitted in Novice classes. At other levels they are permitted if there is sufficient space in the search area surrounds.
- The judge will advise at the competitors briefing if there is room for spectators. If you want to watch a class, you must be in place before the class starts and must stay until the class is completed unless the judge decides there is a break during judging. No food or drink in spectator areas.
- **Photography and video** – don't share any video of dogs running until after that class has finished and never share any photos or video of others without their permission.
- **Poop bags** – no need to remind people to pick up their dog's poop
