CPAT thanks all those involved in conducting this trial:
judges, stewards, sponsors, volunteers and competitors!

Some important reminders:

Be flexible! There's a lot happening this weekend, with some competitors entered in multiple events. If the person listed ahead of you is not around, they might be at another event, so just move up. If someone later in the running order asks if they can move up so they can get to their next event, let them go.

Spectators. Permitted in Containers and Vehicles. Sorry, there won't be space in Masters Interior. If you want to watch a class, get there at the starting time (9 or 11) or ask the assembly steward if you can go in during a break between competitors. Only leave when the judge calls a break for people to come in and out. Observe all rules including: no food or drink, no dogs, no photos or videos without permission, no talking or distracting dogs or handlers, no discussing the search until all competitors have run.

And the usual reminders...

No dogs at the **competitor briefing**.

Wear your number – if you aren't wearing your number you cannot run.

Warm up boxes – will be located near the briefing area. Please do not go to the warm up boxes until it is time to join the line for your class.

Don't train at the site before the trial. We don't want to risk contamination.

No scent anywhere on the trial grounds - if you have brought your scent kit, hand it to the trial manager to be secured.

No dogs off lead in the trial grounds.

Dog attire – no dangly tags on collars and no non-pull harnesses.

Don't talk about the search. You may not give any information apart from a 'thumbs up' or 'thumbs down' until all dogs in that class have run. Talking about a search or sharing information on social media about the search before the class finishes can lead to disqualification.

Photography and video – don't share any video of dogs running until after that class has finished, and never share any photos or video of others without their permission.

Use your personal social media for good, not meanness! Share information about the day, celebrate success, laugh about the things you didn't do so well. But if you have any problems or concerns at the trial, raise them in person with the Trial Manager, TCA Rep or other responsible person so they can be addressed.

Be aware that any breach of the Dogs Tasmania Social Media Policy may lead to disciplinary action.
