Venue Map

Our venue has some terrific exterior search areas, but the sightlines are long! To make sure you don't accidentally walk into view of a search area, please stay clear of the shaded area.

If you wish to toilet your dog there is a large grassy area you can reach by following the metal fence along behind the houses next to the car park.

Toilets – are in the small building immediately in front of the car park and assembly area. *Please do not take dogs into this building.*

Food We are right in the middle of the lovely town of Sorell, with plenty of options for coffee, food and snacks.

Some important reminders:

Don't visit or train at the site before the trial. We don't want to risk contamination, and we want respect the school's generosity in allowing us to use this great venue.

Be flexible! There's a lot happening this weekend. If you're running in two concurrent classes, don't worry, we will make sure you get your run. If you're waiting to run and the person ahead of you isn't there, then just move up when the assembly steward asks you to.

If you miss your run because you were chatting or getting a coffee, then be prepared to run last.

No dogs at the competitor briefing. Please keep your dog clear of the assembly area if you are not getting ready to run.

Warm up boxes – will be located near the briefing area. Please do not go to the warmup boxes until it is time to join the line for your class.

Wear your number – if you aren't wearing your number you cannot run.

No scent anywhere on the trial grounds - if you have brought your scent kit, hand it to the trial manager to be secured.

No dogs off lead in the trial grounds.

Dog attire – no dangly tags on collars and no non-pull harnesses.

Don't talk about the search. Talking about a search before the class finishes can lead to disqualification. If people ask how you went, you can give them a thumbs up (or thumbs down) but that is all.

Photography and video – don't share any video of dogs running until after that class has finished, and never share any photos or video of others without their permission.

Use your personal social media for good! Share information about a great day with your dog, celebrate success, laugh about things you didn't do so well. But if you have any problems or concerns at the trial, raise them on the day with the Trial Manager, TCA Rep or other responsible person so they can be addressed.

Be aware that any breach of the Dogs Tasmania Social Media Policy may lead to disciplinary action.
