

Hike commencing from The Avenues Picnic Area 94 Black Nursery Rd, Kuitpo SA 5201

- weigh-in for dogs and backpacks will be from 7.30 am, with the hike to commence at 9.00 am sharp. If you are running late or not coming, please call or send a text message 0409 327 005
- Please pre-fill and weigh your backpack at home so that it requires minimal adjustment on the day to save time. We will have a small amount of sand available for anyone who is needing additional weight.
- The hike is approximately 16-17 km and is mostly flat with some boggy ground and two water crossings (ankle deep) during the last 6-7km.
- Dogs need to be fit and trained to carry the required 15% or 30% body weight over the distance. Handlers should also be fit and capable of walking the distance at a minimum of around 4 km an hour.
- THERE IS NO WATER AVAILABLE ON THE TRAIL – please pack sufficient water for yourself and your dog.
- We will be taking short breaks approximately every hour, including 2 rest stops of approximately 15-20 minutes and a lunch break of around 30-40 minutes.
- Dog and handler safety and wellbeing is of the utmost importance. If a dog is not coping well, the handler should notify the Judge or marshal, as well as remove weight from the pack and/or withdraw the dog from the hike. The judge has the authority to withdraw a dog if it is not coping well or the pace is too slow.
- All hikers are to remain in a group. The first hikers to arrive at an intersection are to wait there until all hikers catch up.
- The only facilities on the trail are toilets at the start/finish point and at the lunch stop.
- There are no rubbish bins on the hike trail, so please take all rubbish with you and clean up after your dog.
- NOTE: WALKERS MUST CARRY THEIR OWN FIRST AID ITEMS
