Vetting: Bitches without documented proof of desexing are to be vetted.

Only bitches to be vetted are permitted in the check-in area.

Briefings will commence as soon as possible after check-in closes.

The main hall is booked for a class in the morning and it is important that we do not disturb this activity.

Parking

Gates will be opened at **8:00am for judges and stewards and 8:30am for competitors** (please refer to the map below for designated parking).

If you are only entered in the afternoon please do not arrive before noon.

Carpark: We aim to limit stress in the car park and reduce noise impacting the surrounding community. If your dog is anxious around other dogs or people, please notify a steward on arrival and we will endeavor to find appropriate parking. Alternatively, consider bringing a support person with you.

Dogs are to remain secured within vehicles or crated (not sitting beside vehicles or just walked around the carpark), **unless toileting or going to or from the search areas.**

Please do not be offended if a steward requests that you return your dog to your vehicle.

When not in the search precinct please keep your dog on a restricted lead (no more than 2m) and keep to the designated areas.

Toileting: Dogs can be toileted in the adjacent Wakefield reserve but keep to the area adjacent to Acre Avenue to avoid overlooking the vehicle search area and inadvertently disqualified.

It essential that everyone picks up after their dogs and use the bin provided.

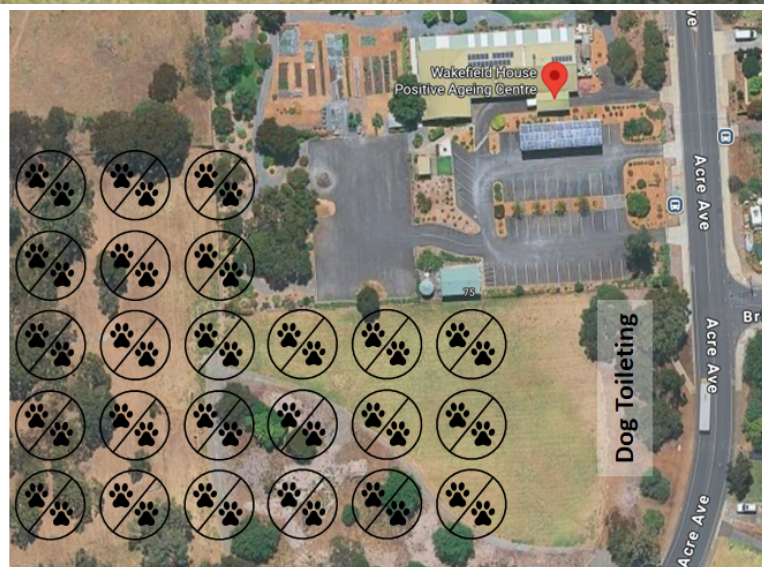

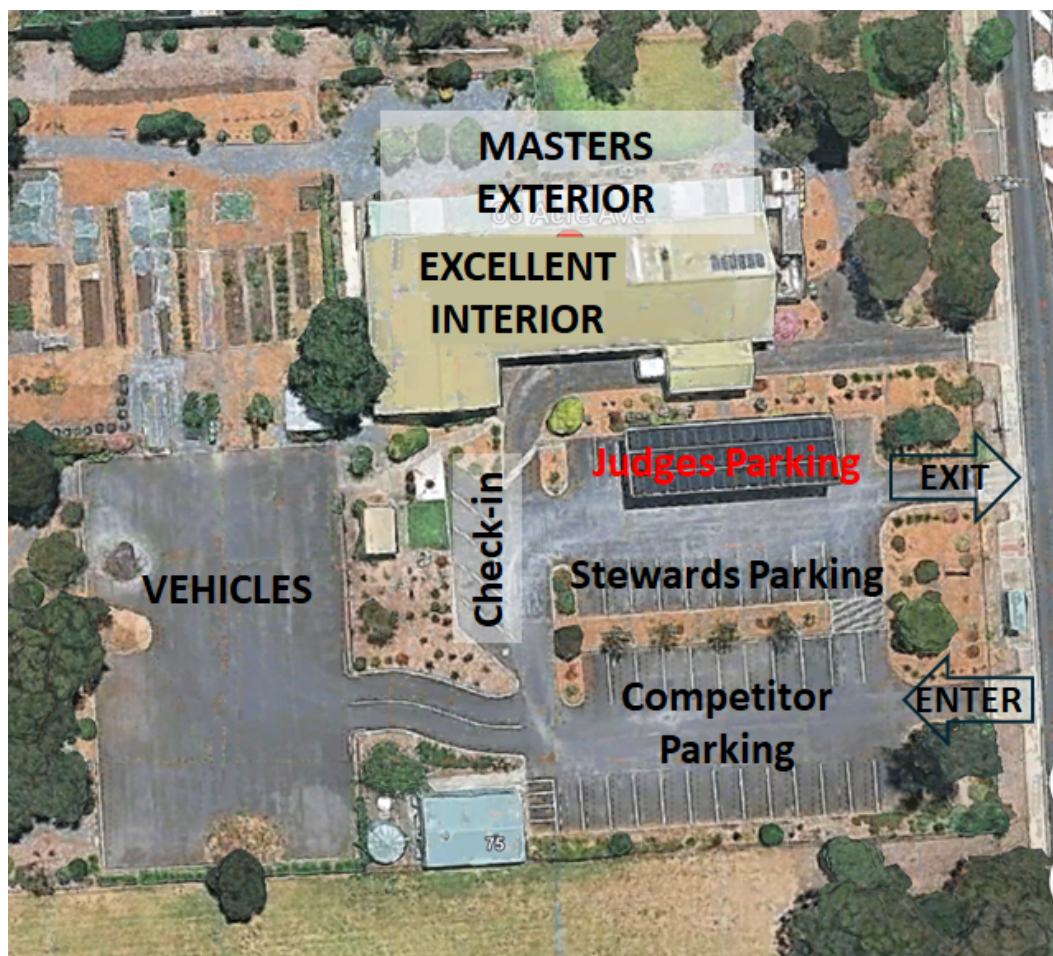

Please take your household rubbish home with you.

Run Order: When your number is called, please come to the desk and you'll be guided to the warm up boxes and your search area.

Please do not congregate around the numbers desk or gateways (you will not miss your run).

Presentations: Will take place as soon as possible after the conclusion of judging.

No dogs at presentation please.
