Reminder - There will be NO CHECK IN on the day.

Please print your own Catalogue numbers directly from Top Dog Events. *If you don't have a printer, your number can be handwritten.*

Bitches in season may not be present anywhere at the trial grounds.

Some important reminders ...

We want our trial to be a happy, relaxed day for all our competitors and their dogs. You can help us keep it that way by observing some rules:

- **Please don't visit the site before the trial.** We don't want to risk contamination of potential search sites, and we have special permission to have dogs at the school for our trial.
- **No scent** anywhere on the trial grounds - if you have brought your scent kit, hand it to the trial manager to be secured for the day.
- **No dogs off lead** anywhere in the school grounds. If your class has an off-lead option, the judge will let you know and you remove your lead at the start line.
- No dogs at the **competitor briefing**.
- **Warm up boxes** – will be located near the line for your classes. Do not go to the warm up boxes until the assembly steward tells you it is time to join the line for your class.
- **Be on time** – we have a lot of entries to get through, and if you are not there when you are called for your class, no-one has time to look for you. The next dog will go and you may miss your chance to run. If you are worried about a potential clash because you are running another dog in a class, let the marshalling steward know.
- **Dog attire** – no dangly tags on collars and no non-pull harnesses. If your dog has a rego tag on their collar you can tape it flat.
- **Wear your number** – if you aren't wearing your number you cannot run.
- **Don't talk about the search.** After your run friends may ask how you went. You may not give any information apart from a 'thumbs up' or 'thumbs down' until all dogs in that class have run. Talking about the search before it is finished can get you disqualified from the trial.
- **Spectators** are not permitted in Novice classes. At other levels they are permitted if there is sufficient space in the search area surrounds. The judge will advise at the competitors briefing if there is room for spectators. If you want to watch a class you must be in place well before the class starts and must stay until the class is completed unless the judge decides there is a break during judging. No food or drink in spectator areas.
- **Photography and video** – don't share any video of dogs running until after that class has finished, and don't share any photos or video of others without their permission.
- **Gazebos** – sorry, no gazebos on the site.

Trial precinct

Coffee and snacks – Sorry, with the election on Saturday all the coffee vans will be at polling stations.

On **Sunday** – Estro Coffee will be on site from 8.30 -10.00 selling coffee, pastries and slices.
