No other dogs are permitted within the check-in area.

Briefings: Will commence as soon as possible after check-in closes.

Parking: We aim to give every dog and handler the best chance to succeed by avoiding stress in the car park. If your dog lets everyone know they are waiting in their car when someone walks past or is quiet in the car but anxious when passing other dogs or people, please let our stewards know on arrival and they will direct you to appropriate parking.

If your dog has separation anxiety, consider bringing a support person with you.

Dogs are to remain secured within vehicles or be crated (not sitting on mats or beds adjacent to vehicles), unless being toileted or going to/from search areas. Please do not be offended if a stewards requests that you return your dog to your vehicle.

When not in the search precinct please keep your dog on a restricted lead (no more than 2m) and keep to the designated areas.

Toileting: Please use the area towards Wheatsheaf Road for toileting your dog.

Dogs are not to be toileted on the oval or within the search precinct.

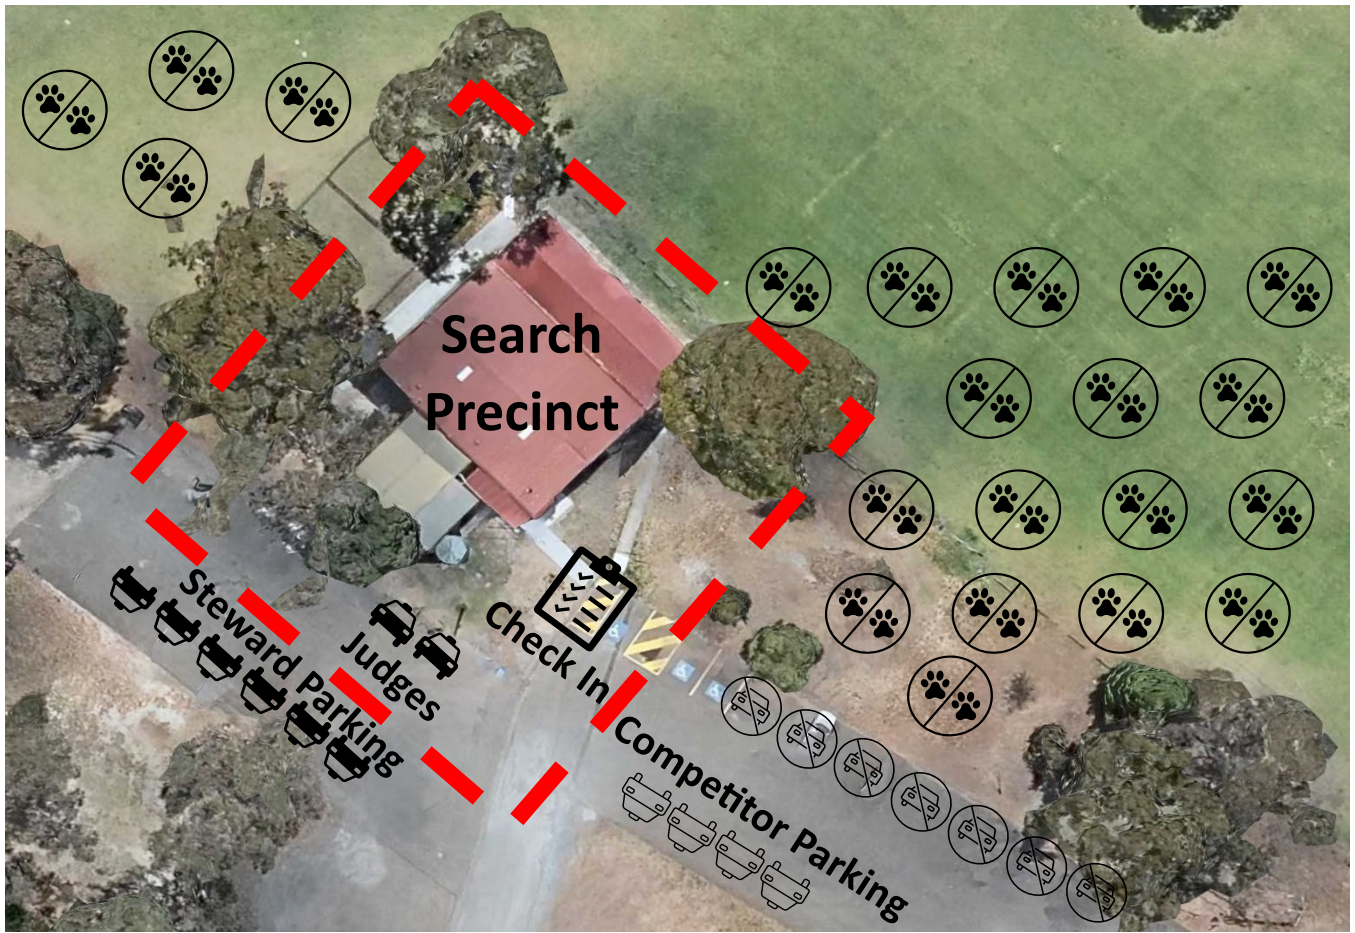

Pick up after your dog and use the bins provided.

Run Order: The Container and Exterior searches will run concurrently.

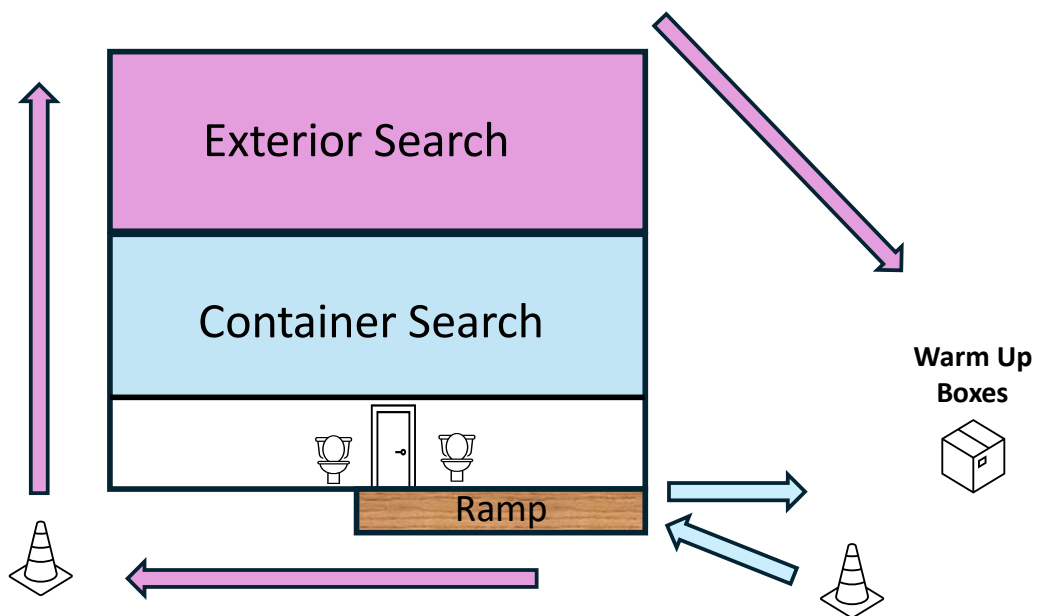

When your number is called, please come to the check-in desk and you'll be guided to the warmup boxes and your search area.

Presentations: Will take place as soon as possible after the conclusion of judging.

Please do not bring your dog to the presentations, we know how awesome they are and will acknowledge their brilliance then.
