

DWD Club of SA presents a  
Four Week Intensive Small Group  
Course for Club Members

# Ring Wizardry!

This course is for Club Members with a passion to compete at DWD or Tricks, but who would like that special bit of help to boost their dog's confidence in the ring.

Sessions will be rich in ring exercises and games for each team. The course is not covering the razzle dazzle of competition moves, but will help you build the magic board and magic paste to create your razzle dazzle. Join us and enjoy your competing.

By the end of the four-week course you will also have built a clearer understanding of:

- How your particular dog learns a space is safe
- On and Off cues that have meaning and when to give them
- Your dog's optimal competition arousal level and how to guide your dog through
- How to put the wheels back on if they fall off
- New insights into the layers of reinforcers to use (multiple reinforcers)

Each class will build on the material covered in the previous session. The course will run over four dates (Thursdays 7:00pm - 8:00pm) and at three locations:

29<sup>th</sup> May @ Gawler Scout Hall  
5<sup>th</sup> June @ Virginia Community Centre  
3<sup>rd</sup> July @ Virginia Community Centre  
10<sup>th</sup> July @ David Roche Park

Due to the individualised nature of the training, there will only be 8 places available, at a course fee of **\$40**, payable upon registration, to secure your spot. If you're not yet a DWD Club Member, you're welcome to join the Club, and then secure a course spot.

Register and pay via **TopDog**
